## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-20 are allowed because the closest prior art of record fails to disclose a circuit as shown in Figure 5 wherein the circuit comprises: a master shift register (262) for selecting one of the sub delay chains (SDC) of the first delay line (220) and the second delay line (222) by responding to the shift control signal (CS\_SM2MSR); and a slave shift register (264) for selecting one of the delay units (SDU) in the sub delay chain (SDC) selected by the master shift register according to the shift control signal (CS\_SM2SSR) in combination with the rest of the limitations of the base claims and any intervening claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
